

Township Government Studies High Court Rule

Township government took action this week to follow through on the recent United States Supreme Court ruling on the one-man, one-vote principle of electing local governmental officials.

At the Spring meeting of the board of directors of the Township Officials of Illinois, held at Olney, the township officials association voted to appoint a committee to make an intensive study of the court ruling as it affects township representation on county

boards throughout downstate Illinois. The committee will make its recommendation for further action when the association board meets again this Summer.

"There are two basic considerations regarding the Supreme Court ruling, so far as township government is concerned," said Troy A. Kost, executive secretary of the township association.

"One is that the ruling really affects the structure of county government rather than township

government, since it applies only to the representation of township supervisors and assistant supervisors on county boards, and then only in downstate counties where this type of representation now exists.

"This leads to the second consideration that in no way, shape or manner does the ruling change the structure of township government, nor affect its powers as a strong unit of local government," Kost stated.

"We are not totally pleased with the decision," Kost added, "since we believe that a good inter-relationship among local governments is desirable and often necessary. This ruling could reduce that beneficial inter-relationship, and, moreover, might relax citizen representation on county boards with that of 'professional politician' representation."

The ruling is not likely to affect Cook County, it was pointed out, since townships in the urban areas of Cook County are

not now directly represented on the county board.

This board is elected on a county-wide basis, with two-thirds of the members coming from the city of Chicago, and one-third from suburban areas.

It was pointed out by Illinois township officials spokesmen that no change can be made in the structure of downstate county boards until the Illinois legislature acts upon the proposition, or unless a constitutional convention

is approved and subsequently a new constitution establishes ground rules for the election of county boards.

It was predicted that, in all likelihood, this would be a matter handled by the next session of the state legislature.

"There are three or more possibilities to be considered," said Association Secretary Kost.

"One is to retain the township supervisors and assistant supervisors as county board members, but with weighted voting power

determined by the population that each represents.

"Another is to elect county board members at large.

"A third is to elect these board members from municipal, suburban and rural districts set up in each county."

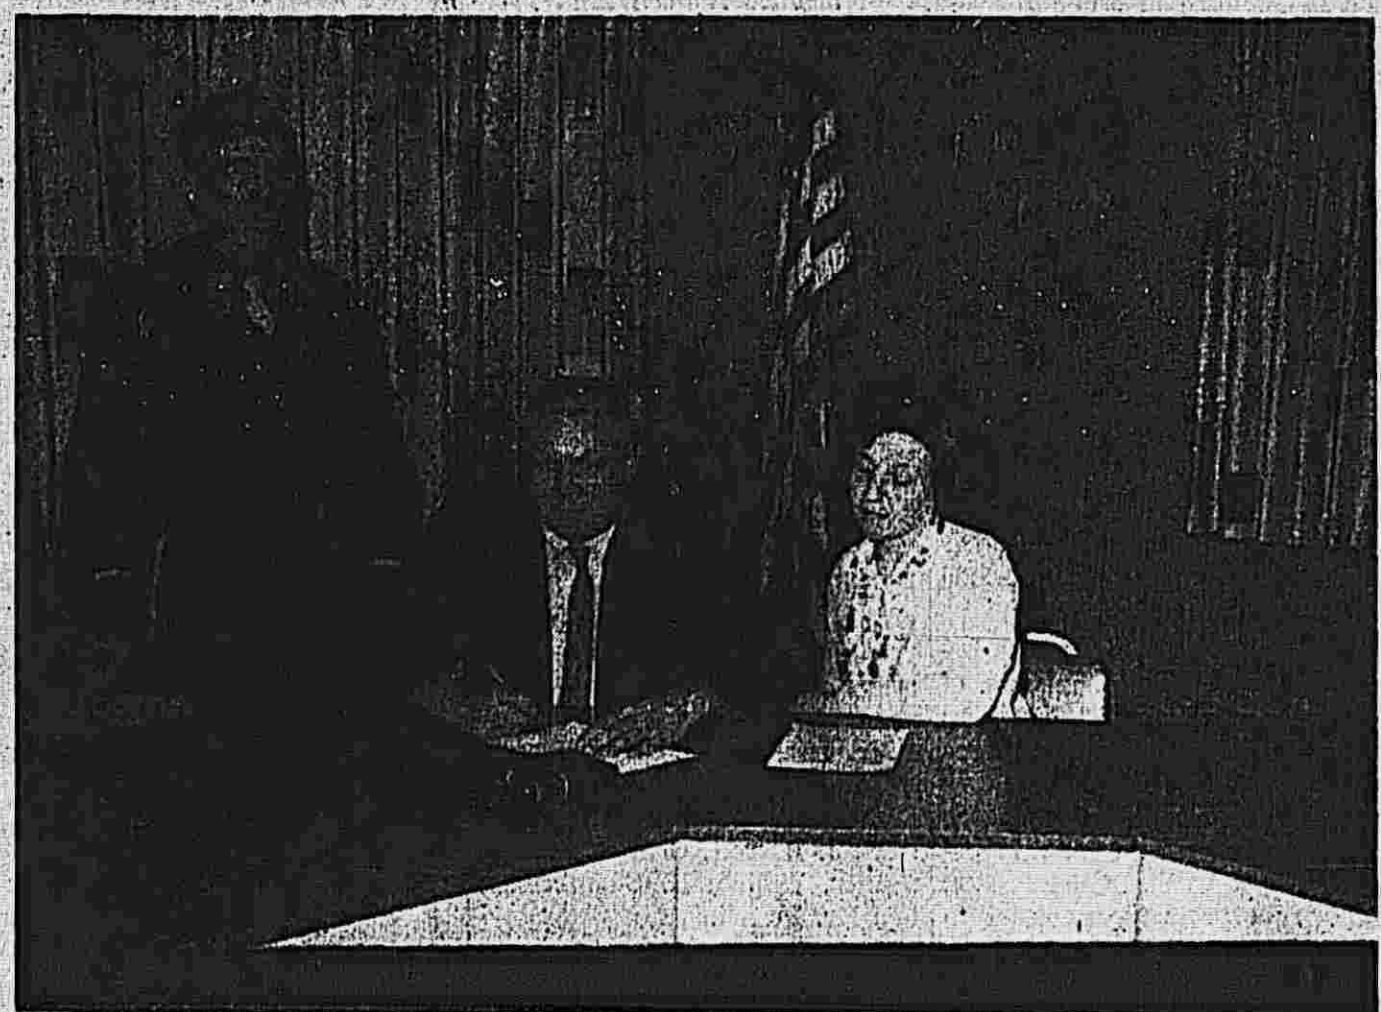

"There is room for creative thinking on this matter," said Kost, "because it is not exactly a simple one to resolve."

Members of the township officials committee to study the rob-

lem are now being appointed, and will shortly meet with a committee appointed by the Illinois county officials association to coordinate thinking and recommendations.

The township committee will be prepared to make its recommendations well in advance of the next regular session of the state legislature.

Officers and directors of the Township Officials of Illinois include Bruce Frost, Deerfield, and Walter Kuester, Libertyville.

Mayor Raymond Toft signs proclamation stating that Poppy Day will be observed in Antioch on May 24 and 25. F. A. Swensen, Poppy Chairman for the American Legion and Mrs. Ray Rathmann, Chairman for the American Legion Auxiliary witness the event.

School Children Are Kept Busy With Interesting Field Trips

Antioch area school children have been going places and doing things. School field trips are being enjoyed by those in kindergarten through eighth grade. Here's where they've been or are going:

ANTIOCH GRADE SCHOOL. Last October, sixth and eighth graders visited the Museum of Science and Industry. In March, fourth graders had a big time at the Milwaukee Zoo. In April, fifth graders visited Great Lakes and the sixth grade visited Wilton Electric.

Seventh graders visited Morton Arboretum on May 7 and on May 15 and 16 the second graders

will go to Brookfield Zoo.

A trip to Seastell in Milwaukee is planned on May 17 for the third graders, and on May 21 the first graders will visit the Milwaukee Zoo.

GRASS LAKE. Fifth graders visited Great Lakes last Friday and 4th graders went to the Museum of Science and Industry on Tuesday. The Kindergarten visited Hawthorn-Melody farm on Wednesday and second and third graders went to the Milwaukee Zoo on Friday.

On May 17 the sixth graders will go to Great Lakes and the seventh and eighth graders will go there on May 24.

CHANNEL LAKE. The second and third graders had a delightful outing at the Racine Zoo in April. The fourth and fifth graders visited Great Lakes last week, and the kindergarten and first graders will tour the Antioch Fire House and local dairy on May 16.

EMMONS. Seventh and eighth graders visited the Milwaukee Zoo and the Museum of Science and Industry. Fifth and sixth graders went to

the Museum of Science and Industry and O'Hare Field.

Third and fourth graders attended the Shrine Circus in Chicago; the second graders toured Neale's Chocolate Company at Burlington and also visited the Milwaukee Zoo along with the first graders.

The eighth graders are going on a trip to Dearborn, Michigan, on May 23 and 24 where they will tour the Ford Plant.

ST. PETER'S. The big date being looked forward to by children at St. Peter's School is the school picnic at Fox River Park on May 25.

The eighth graders went by train and bus to Springfield, Illinois on April 22 and spent the day there.

Teen Agers Offer Panel Discussion

The Home and School Group of St. Peter's Church will meet to night (Thursday) May 9 at 8 p.m. in the family room.

There will be a panel discussion by teen agers.

A recital of music students at the school will take place on May 24 at 8 p.m.

Stratton Pledges To Hold Line on Taxes

A pledge of no state income tax and no increase in taxes was made last Saturday night by former Gov. William G. Stratton. Stratton predicated his remarks, however, on the fact that "if he is re-elected governor" at the annual spring dinner party of the Antioch Township GOP Club held in Lorenz's Smart Country House.

Stratton, one of four candidates for the Republican nomination for governor in the June 11 primary said he was the only candidate with a specific highway program and added:

"During my previous administration we built \$700 million in highways without an increase in taxes."

First Asst. State's Attorney Jack Hoogasian, who is seeking the Republican nomination for state's attorney, was honored with the presentation of this year's "ELLA plant" trophy by the club.

Hoogasian left the dinner to take his wife, Claudia, to the hospital, where their second child, a girl, was born early Sunday morning.

Hoogasian was given the trophy for "outstanding Republicanism and because the club considers him the most qualified of the four candidates in the race.

Coroner Orville S. (Pat) Clavey, first winner of the award, received an "Oak Leaf Cluster" for his "tireless efforts on behalf of the GOP."

State Rep. W. J. (Bill) Murphy, R-Petite Lake, Antioch, was master of ceremonies at the affair which featured induction of club and club auxiliary officers, as well as a host of GOP officeholders and candidates.

John H. Altorfer and Richard Ogilvie, also candidates for the GOP gubernatorial election were on hand.

Courthouse Progress

Lake County's three-phase courthouse complex is expected to be completed by May 31, 1969.

The jailhouse building will be completed and occupied this year.

The 10-story administration building was occupied late last year.

And preliminary work is already under way on the courts phase of the project.

Spring Fling Days Near

Spring Fling Days are coming to Antioch and the winner is going to be the hundreds of area residents and outsiders who shop there.

The seven-day spring festival of sales will be held May 16 through May 22 and nearly all of the area merchants are cooperating.

During the seven-day period each participating merchant will give one free gallon of regular gasoline with the first \$5 of purchases and one gallon with every \$10 purchase thereafter.

There is a maximum of five gallons to be given each customer but that is a quarter of a tank just for coming over to shop.

And, remember, if you move on to the next store and make some additional purchases you get additional gasoline and just might drive away with a full tank.

Coupons will be distributed to participating merchants and will be redeemable at three gas stations in Antioch that are cooperating in the program.

The promotion is being sponsored by the Retail Committee of the Antioch Chamber of Commerce, and is only the first of several events planned for the coming months.

Dick Wilt Attends Insurance School

Dick Wilt, local State Farm Agent, spent last week in Bloomington, Ill., attending school in the regional office of State Farm Insurance Companies. Intense study was given to the problems of auto, fire and life underwriting.

Center Dates Are Set

The Antioch Aqua Center will open on Memorial Day and will offer swimming enjoyment to Antioch families until Labor Day.

Special bargain membership rates are available to those purchasing their memberships before May 31.

A family membership (parents and two children) will cost only \$18 instead of \$22; additional children in family, \$2.00 each; and individual memberships will be \$11.00 instead of the \$12.50 which will be charged on or after June 1st.

Memberships can be purchased at the State Bank of Antioch and at Wilton Electric Shop.

Kerner Resigns May 19

Gov. Otto Kerner has announced his resignation, effective at midnight Sunday, May 19, to accept his recent appointment to the U. S. Court of Appeals.

He will be sworn in as judge of the United Court of Appeals for the Seventh Circuit by Chief Judge John S. Hastings at 2:30 p.m. Monday, May 20. Ceremonies will be in the Court of Appeals courtroom, 27th Floor, United States Courthouse, Chicago.

Governor Kerner was nominated by President Johnson on March 11 and was confirmed by the U. S. Senate on April 11. The Governor's father, Otto Kerner, Sr., also held a seat on the U. S. Appellate Court, Seventh Circuit.

Steve Chinn Home From Vietnam War

Sgt. E/S Steve Chinn is back from Vietnam safe and sound.

The young combat veteran will be around Antioch until the first part of June and then will be posted to Fort Campbell, Ky.

Steve, who returned home April 30, was with the Army First Cavalry and was an infantry squad leader. He spent most of his eight months in combat in the Central Highland of the Asian country.

In February he moved north to the Quan Tri province near Hue. "On my last day in Vietnam I met Joe Enis from Antioch," Steve related, "and we had a long talk about the home front and what we would do when we returned."

Steve said young Enis had just returned from a leave in Taiwan and looked fine.

Chinn was in Hong Kong and Kuala Lumpur in Malaysia for rest and relations break during his time in the war zone and related some of his impressions.

"Hong Kong is a fairly modern city in contrast with Malaysia," he said. "The people treated us fine in both places and we stayed in the President Hotel in Hong Kong."

Steve said he saw the Bob Hope show the day after Christmas "and we sure enjoyed it."

Cookies Sent To Vietnam

(photos on page 6)

Six pounds of cookies were sent to each Antioch area serviceman in Vietnam last week.

Chairman of the Project Vietnam cookie drive, Mrs. Chris Schultz of Oakwood Knolls Subdivision, was swamped with cookies, baked and delivered to her home by many of the women of Oakwood Knolls.

The Antioch post office also had a deluge of cookies when many of the women of the area found it more convenient to drop them off at the post office.

These also found their way into the home of Mrs. Schultz to be placed in this which were donated by the people of this community.

The cans of cookies were later brought to the Antioch High School where students, under the supervision of faculty member Harrison Brown, then packed them into cartons together with other items regularly sent to our servicemen and unchased with funds from contributions by Antioch area citizens.

Once again the Antioch students did an outstanding job for this project.

Postmaster Jos. Wolf, Chester Golonka and Harry Brehen of the postoffice, and Art Doty of the Chicago Ink & Research Co., also assisted with the packing. Some 151 parcels were made up and sent to 42 servicemen and 2 hospitals presently on the mailing list. Postage amounted to \$134.90.

Project Vietnam salutes Mrs. Schultz, Brown, the Antioch High students and all of the people of the community who did so much to bring some measure of happiness to Antioch area soldiers in Vietnam.

Kind words make kind echoes.

Neglected Area

The Chain 'O Lakes is a forgotten area.

This was graphically brought to point last week during a meeting of the state commission investigating the need for improvements in conservation and recreation, pollution control of lakes and streams and of the air.

State Rep. W. J. (Bill) Murphy, R-Petite Lake, Antioch, told the commission members that this was getting fed up with the state money being sent to improve southern Illinois to the detriment of west Lake County.

Murphy also added that only \$500,000 has been spent on the Chain 'O' Lakes since 1950 while millions have been poured into southern Illinois.

The commission, attempting to find ways to spend a \$1 billion bond issue that hasn't been approved by the voters, as yet, were told that \$1 million per biennium is needed to put the Chain back into condition.

And this money will be needed for the next 12 years.

A state official also told the committee that only \$40,000 has been allocated for the Chain this biennium and that would only dredge a small channel.

We are probably prejudiced, we must admit, but we couldn't agree with Rep. Murphy more.

We are the only county in the state—of any size—that does not have a state supported institution within its boundaries.

We were beat out of a senior college in Lake County because the so-called experts in the field suggested southern Cook County where the kids don't go to school.

If there ever was a reason not to locate a school in the area—that was it.

But we may have struck gold by holding the hearing in the Antioch area where it was pointed out that in one summer some 8 million persons are served by the resort and boating industries.

The large turnout was impressive and led a member of the commission to call our area "a troubled one" with priority for fixing it up.

We heartily applaud Rep. Murphy in his efforts for the Chain. We say keep the pressure on.

Maybe we won't be neglected for too long.

A Good Policy

A new policy to allow smaller communities the benefit of being exempted from requirements of a Workable Program for Community Development has recently had the approval of the U.S. Department of Housing and Urban Development (HUD).

A workable program is a community plan to eliminate and prevent slums and blight. Its approval is required for eligibility for federal assistance in urban renewal, public housing and other HUD programs.

HUD has announced it will, in certain cases, waive or modify workable program requirements for communities with 10,000 or less population.

The new policy allows waivers or modifications if reasonable and not detrimental to programs of blight prevention and elimination.

The reason for the change is that most small communities have difficulty in acquiring professional help and other resources necessary to develop and carry out their workable programs.

They are placed in the position of planning for growth that will never occur just so they can become eligible for a federal loan to finance the construction of several units of public housing.

It is time that the little community was taken into consideration seeing that it is the little community's money that is being spent.

Courthouse Notebook

By Lou Durkin

Proponents of the Constitutional Convention to write a new Constitution for the State of Illinois are hammering away primarily at the outmoded Revenue Article with particular emphasis on the unpopular personal property tax.

Another whipping boy is the state income tax which many Constitutional experts maintain could be imposed now at a uniform rate.

Less vociferous in their opposition to the ConCon, but working just as avidly underground as the supporters, are members of the judicial branch of the government who see in a new Constitution an insufferable threat to the security they enjoy as a result of the recent Judicial Amendment to the state charter.

Judges, of course, are no longer political participants and so they are not supposed to speak out on matters political, but they all owe their present eminence to political participation and most of them have retained their political ties, if only on a social level.

The Judicial Amendment approved in the Blue Ballot voting a few years back produced an extensive upheaval in the court structure of the state and assured the elected judges of virtual lifetime tenure.

Oh, of course there is a provision that a judge must go before the electorate occasionally to run for re-election on his record, but there are few attorneys foolhardy enough to campaign openly against a sitting justice and who else would be aware of a judge's shortcomings over a long haul.

There were many bugs in the new setup and whose who supported the revision in the system urged patience, but even their patience is being exhausted, and

it becomes increasingly difficult to find an attorney who supported the Blue Ballot or one who would not recommend some drastic changes.

Lake County is beginning to get some attention from the three principal candidates for the Republican nomination for Governor with frequent breakfasts, lunches, and special meetings slated for the contenders.

Cook County Board President Richard Ogilvie was in the Waukegan area Tuesday shaking hands at local industries and having breakfast with supporters in Waukegan.

Peoria Industrialist John Henry Altorfer was due to make the rounds today (Thursday) as was former Governor William G. Stratton.

It is rather surprising, and perhaps a commentary on the Republican Party in Lake County, that so little attention has been paid to this area.

Stratton, a native of the area, perhaps assumed strong support here and concentrated in other areas where he reportedly has received a warm reception.

His appearance here Thursday is expected to spark some momentum, but many influential Republicans who waited to be contacted have now made other commitments.

It would seem that in a Presidential Election Year the Republican Central Committee could have arranged at least one major rally at which candidates for the state's top office could address several hundred voters at one time instead of leaving activity to the small local clubs which have difficulty luring more than a score or two for candidate meetings.

Perhaps Central Committee Chairman Robert Milton has been too engrossed in the Altorfer campaign to think about his larger duty of providing leadership for the party as a whole in Lake County.

House Rules Committee Approves Holiday Bill

The Monday Holiday Bill sponsored by Congressman Robert McClory (R-Ill.) moved another step closer to passage Tuesday when the House Rules Committee cleared the measure for floor debate. The McClory bill, H. R. 15851, provides for the observance of three national holidays on Monday: Washington's Birthday (third Monday in February), Memorial Day (last Monday in May), and Veterans Day (fourth Monday in October). In addition, the bill would establish a new national holiday, Columbus Day, to be celebrated on the second Monday in October.

Citing the support given his bill by business, labor, and government groups, as well as the general public, Congressman McClory outlined for the Rules Committee the many benefits of Monday holiday legislation.

"Three day holidays would afford greater opportunities for families to be together, especially those families whose members may be widely separated. Such holidays would also provide increased opportunities for travel away from home to the historical sites and places of interest connected with our traditional holidays, and provide more time to prepare for such observances commemorating our American heritage.

In addition, the 3-day block of leisure time provided by the celebration of certain holidays on Mondays would allow greater participation by our citizens in hobbies as well as educational and cultural activities. Finally, Monday holidays would improve commercial and industrial production by enabling workweeks to be uninterrupted by midweek holidays and by reducing employee absenteeism on the days following a midweek holiday.

The compromise bill omits July 4th (Independence Day), and

Thanksgiving Day (fourth Thursday in November), from its provisions. Christmas and New Year's Day are also unaffected by the measure.

The Illinois Congressman closed his statement by emphasizing the need for Congressional initiative in setting a pattern which could be followed by the states for the celebration of Monday holidays. Noting that the State of Massachusetts has already enacted a Monday holiday bill and that other Monday holiday bills are pending in nine state legislatures, McClory stated:

"Congress must act promptly on H. R. 15851 in order to avoid the possible confusion which would result from the states acting independently in the approval of Monday holiday legislation. If Congressional action is delayed, we run the risk of having our holiday celebrations scattered all over the lot."

Effective date of the new Monday Holiday Bill is postponed to January 1, 1971 to permit state legislation to fall in line with the national pattern, and to enable calendar manufacturers, schools, business, labor, club, and other organizations to adjust their schedules to reflect the revised holiday observances.

The McClory bill is co-sponsored by 15 other Members of Congress, including 12 Members of the House Judiciary Committee on which Congressman McClory serves. Final House action on the Monday Holiday measure is expected next week. Congressman McClory expects the measure to have overwhelming House support.

We were made to work, and we'll always work, for we can't be happy otherwise.

Stern Home Ransacked By Thieves

Harry Stern, of Indian Point, Antioch, reported to the Lake County Sheriff's office that his home had been broken into and \$300 in silver was taken from a bedroom along with \$6 in a coin purse.

Stern said the front door of the home was pried open.

All of the rooms in the home were ransacked with the exception of the den and a 38-caliber revolver was also taken.

Stern was attending the Antioch Township Republican Club annual spring dinner when the burglary took place.

Deputy Sues Sheriff

A suit charging Lake County Sheriff Harold Scheskie with "arbitrarily and without cause" demoting one of his office staffers has been filed in Lake County Court.

Stanley Schabowicz, administrative assistant under former Sheriff Charles E. Larson, charged that Scheskie had not only demoted him but also failed to authorize his proper salary.

The petition asks a court order directing Scheskie to recognize Schabowicz' status as administrative asst. and authorize the salary appropriate to the position. The salary differential is \$150 per month.

Schabowicz was employed as a deputy sheriff Aug. 1, 1962 and appointed administrative assistant June 26, 1963.

Scheskie said he would confer with his attorney and members of the Lake County Sheriff's Merit Commission before answering the petition.

He maintained that there is no place in the merit commission rules where the title of administrative assistant appears.

Monday, we made contact with an undetermined number of North Vietnamese army troops and had four G.I.'s killed and 21 wounded. Two of them were my best buddies.

Army Info Office Will Stop At Libertyville

Rolling into Libertyville on May 13, will be an Army Information Office.

Parked at Cook Memorial Library, Milwaukee Rd., the office will be open between the hours of 2 p.m. and 8 p.m., it was announced this week by Sgt. Bumpus, local Army Counselor.

Staffed by a team of specially trained information personnel from the Chicago Army Information Headquarters, the trailer-type office is part of a unique information program called Operation Opportunity. Libertyville has been chosen as one of the stops on a tour of selected communities in Illinois.

Sgt. Bumpus said the primary purpose of the tour is to answer questions concerning employment opportunities in the Army and to answer questions about military service.

Special information and authorities will be available to talk about newly developed opportunity and guaranteed assignments.

Antioch Invited To Join Waukegan In Aug. 17-18 Parade

An invitation to participate in a huge parade being sponsored by the City of Waukegan as part of its observance of the Illinois Sesquicentennial has been extended to the Village of Antioch veterans and musical organizations and industries in the area by Waukegan Mayor Robert Sabonjian.

The Waukegan observance is scheduled for the weekend of August 16, 17 and 18, with the parade slated for Saturday morning, August 17.

The city will join with the Waukegan-North Chicago Chamber of Commerce and the Waukegan Port Authority in developing the three day observance of the state's 150th year of statehood, Mayor Sabonjian said.

Slated for the same weekend is the annual Waukegan Lakefront Festival sponsored by the Chamber of Commerce and the Port Authority which will provide Lake Michigan water front activities including water-ski shows and a night parade of boats on Saturday, August 17 and a mammoth air show and display of planes at the Waukegan Memorial Airport on Sunday, August 18.

In the planning stage are a golf tournament, tennis tournament, youth baseball tournament, a band concert and other activities, according to the Waukegan Alderman Fred Burgess, chairman of the city's celebration committee.

"We hope to have floats and marching units from many of the cities and industries in Illinois and the City of Waukegan will have its own float which will be available for parades in other cities commemorating the Illinois Sesquicentennial," Mayor Sabonjian said.

Further information on the observance program may be obtained from the Office of the Mayor, City Hall, Waukegan, Ill., or by calling 623-2500.

Fr. Gerald L. Horton

FATHER HORTON TO BE ORDAINED THURS., MAY 30

The Rev. Gerald L. Horton will be ordained a Roman Catholic priest for the Diocese of Boise, Idaho, on Thursday, May 30th, at 9 a.m. at St. Mary of the Lake in Mundelein, Illinois. Father Horton will be ordained by the Most Reverend Thomas J. Grady of Chicago.

Father Horton was born July 14, 1912, in Burlington, Wisconsin, the son of Raymond and Elizabeth (Baumeister) Horton of Charles Court, Antioch. He attended kindergarten and first grade at Antioch Grade School and the remaining grades at St. Peter's School in Antioch, graduating in 1936. His high school years were spent at Quigley Preparatory Seminary in Chicago where he began his studies for the priesthood under the auspices of the Archdiocese of Chicago.

In 1960 he entered college at Mount Angel Minor Seminary in Mt. Angel, Oregon, beginning his studies for service in the Diocese of Boise, Idaho. In 1962 he was transferred to St. Thomas Seminary in Denver, Colorado for the remainder of his studies. He graduated from college in 1964 with a B. A. in Philosophy with minors in History and Education. His four years of theological studies will be completed this month when he will be ordained with an M. A. in Religious Education.

His summers have been spent in Antioch as a grocery boy, factory spray painter, and plumber's and carpenter's helper. He served as a deacon during the summer of 1967 at the newly-formed Christ the King Parish in Idaho Falls, Idaho, under the direction of Father Merwyn Nuxoll. He also served in St. John's Cathedral Parish in Boise under Monsignor Nicholas Hughes from December 1967 to March 1968.

Friends are invited to join with Father in the celebration of his first Solemn Mass on Saturday, June 1st, at noon in St. Peter's Church in Antioch. Officers of the Mass will include Very Rev. Nicholas Walsh, a priest from Boise who is currently working in Colombia, South America; Rev. Alfred J. Henderson, pastor of St. Peter's; Rev. Francis Johnson and Rev. Lawrence Hanley, past assistant of St. Peter's, now working in parishes in Park Ridge and Chicago, respectively. Friends are also invited to at-

tend the reception and receive Father's priestly blessing at St. Peter's Social Center from 7:00 to 9 p.m. that evening.

Father Horton will enjoy a short vacation at home following the ordination and First Mass and then will leave for Idaho where he will carry out his ministry to the people there.

Jerry's great-grandparents, Mr. and Mrs. Hurray Horton, were pioneer residents of Antioch.

He will be the first priest in 50 years from St. Peter's. Fr. Savage just celebrated his 50th anniversary in the priesthood.

Patricia Geisler Engaged

Mr. and Mrs. Clarence Geisler of Lake Villa announce the engagement of their daughter, Patricia, to Greg Leksich of Antioch.

Leksich is the son of Mrs. Regina Leksich.

Patricia will graduate from Antioch High School in June.

The groom is employed at Feinberg's Men's store in Waukegan. No wedding date has been set.

Two Plays At Emmons School

Two plays will be presented at Emmons School tomorrow, May 10. The seventh graders will offer "Spooks Alive" and the eighth graders will present "The Wizard of Oz."

Certain time is 7 p.m. and the public is invited.

Woman's Club Ends Rewarding Year

The Antioch Woman's Club of the Illinois Federation of Women's Clubs held its closing luncheon meeting in the Terrace Room of the Illinois Beach State Park Lodge at Zion Monday, May 6. There were 60 members present.

From the reports of the various chairmen the club has had a busy but enjoyable year.

The following officers were installed by Mrs. Lillie Petty: Mrs. Joseph Horton, president; Mrs. Raymond Toft, vice president; Mrs. George Hahn, recording secretary; Mrs. Laura Lang, corresponding secretary; and Mrs. William E. Brook, treasurer; and chairmen for the ensuing year.

This year the Antioch Woman's Club made donations to: The Girl Scouts, Cancer Fund, Salvation Army, Red Cross, Tuberculosis Association, L. S. Smith Fund, Park Ridge School for Girls, Antioch Grade School Calendar, a Book to the Library in memory of Mrs. Paul Chase, Sr., Penny Art Fund, UNICEF, and Downey Veterans' Hospital.

Scholarships have been given for Music, Conversation, and Art, at the Antioch Community High School.

Activities included assembling packages for our boys from this community who are serving their country in Vietnam; our members tagged for Channel 11 and on April 18th eight of the girls were Bidders for the Channel 11 Auction.

In June our members tagged for Doughnut Day - Salvation Army - which they will also do again this year. They sponsored the "Cavalcade of Cotton" Style Show and Luncheon held at Lorenz's Smart Country House for the benefit of the Mental Health Auxiliary of Antioch and a check of \$289.00 was presented to Mrs. Edmund F. Vos.

Local Gals Win In Sewing Contest

The 1968 National Grange Cotton Sewing Contest was well represented from our county this past week by Sylvia Meuter of the Antioch Adventurers; Judy and Allison Hevredjs and Bonnie Davis of the Sequoia Suzies; Joyce White of Mundelein; Mrs. Eileen Worth of Gurnee; Mrs. Angela Maras, American Home Chairman of the Antioch Woman's Club and 4-H Sewing Leader.

Mrs. Maras was a district winner in Class A. Her entry was a navy blue and white dress ensemble with a striped lining and trim.

Sylvia Meuter was a district winner in Class B with her printed dress and jacket outfit.

Eileen Worth of Gurnee was a district winner in Class C with a pink and white polka dot dress for her daughter.

First place winners in each of these classes will compete in the County Judging at Seneca, Ill.

Other district winners were Judy Hevredjs who took second place and Joyce White who took 3rd place in Class B.

CHRISTIAN SCIENCE CHURCHES

"Adam and Fallen Man" is the title of the Lesson-Sermon to be read in all Christian Science churches this Sunday.

The Golden Text is from Ephesians: "Awake thou that sleepest, and arise from the dead, and Christ shall give thee light."

The Lesson-Sermon also contains these lines from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The Son of the Virgin-mother unfolded the remedy for Adam, or error; and the Apostle Paul explains this warfare between the idea of divine power, which Jesus presented, and mythological material intelligence called energy and opposed to Spirit."

Services at First Church of Christ, Scientist, Beacon Hill, Rte. 173 & Harden, Antioch begin at 11 A. M. The public is invited to attend.

Legion Auxiliary

By Del Jahneke

The 10th District American Legion Auxiliary has a crowded schedule of activities for the latter weeks of May. Many Antioch American Legion Auxiliary members are planning to participate in these events.

First on the agenda is the Child Welfare Picnic, to be held in the Lake Region's Legion Home in Fox Lake, on May 19th, at 11:30 a.m. This annual picnic is co-sponsored by the Posts and Units of the 10th District American Legion, the Auxiliary, and the Co-chairmen are John Jones, North Chicago, and Mrs. William Franz, Libertyville, District Child Welfare Chairmen.

Approximately 150 children from the four Lake County Children's Homes (Allendale School for Boys, Lake Bluff Children's Homes, Lake Villa Central Baptist Children's Home, and the Arden Shore Home) will be the guests of the 10th District. There will be a large picnic lunch; boat rides, and games and contests with prizes to be awarded. All Legionnaire and Auxiliary members, and their families are invited to this annual affair. Mrs. Walter Hills is the Antioch Unit child welfare chairman.

The District Past President's parley dinner will be held on May 21st, at the Accey Deucey Club,

Great Lakes, at 6:30 p.m., with Mrs. Herbert Gleason, Libertyville, Junior Past Director, as the general chairman. Reservations must be sent to Mrs. Chester Schwermer, Libertyville, by May 16th. Mrs. Ray Rathmann, Antioch Unit Junior Past President, requests that all past presidents contact her, who wish to attend this dinner party. Mrs. Rathmann will then send in their reservations.

Poppy Days will be observed on May 24 and 25 in nearly all Lake County communities. "TO AID THE LIVING, AND HONOR THE DEAD: WE ASK YOU TO WEAR THE POPPY OF RED." The American Legion and the Auxiliary reverts that wearing a Poppy on Poppy Days will honor the more than half-million Americans who died during the four wars, and the nearly one million wounded veterans from both World Wars, the Korean Conflict, and the Vietnam War. Every year, the American Legion supplies materials to the hospitalized veterans, at no cost to the veteran, and then compensates them for their efforts. This not only augments their sometimes meager income, but medical authorities agree that this activity provides important therapy for these men.

Mrs. Rathmann, Antioch Unit Poppy chairman, and Antioch Legion Post Poppy chairman F. A. Swenson point out that all monies received on Poppy Days will be used for the rehabilitation of hospitalized and needy veterans and their families. A large part of the funds will be used at Downey Hospital and at the Great Lakes Naval Hospital.

The 10th District Illinois Girl's State Tea will be held at the George Alexander McKinlock, Jr., Legion Home in Lake Forest, on Sunday, May 26th, at 2:00 p.m. All Illinois Girl Staters, the Girl's State Chairman, the Unit President, and the Girl Staters' mothers are invited to be at this tea.

A former Girl Stater will acquaint the new girl staters with the Illinois Girl's State week-long program, to be held at MacMurray College, Jacksonville, from June 11th to 18th, 1968. This annual lovely affair is under the chairmanship of Mrs. S. J. Serenson, Lake Forest, District Illinois Girl's State Chairman. Mrs. Joseph Horton, Antioch Unit Girl's State chairman, and Miss Donna Garrison, Girl Stater, will represent the Antioch American Legion Auxiliary.

A pot luck supper party meeting, on May 27th, will be this year's last 10th District Auxiliary Board meeting, under the leadership of Mrs. William Schultz, North Chicago, District Director. The meeting will be held at the Shavin American Legion Home in North Chicago, at 6:30 p.m. Mrs. Ed Jahneke, 10th District Publicity and Communications chairman, and Mrs. Rathmann, District Treasurer, plan to be in attendance.

Homemakers Install Officers At Luncheon

Homemakers from 21 units of the Lake County Home Economics Extension Service of the University of Illinois celebrated their 30th Annual Meeting at a luncheon held at the Swedish Glee Club, Waukegan on April 25. The hundreds of homemakers present were proud of their achievements in conducting an educational program for Lake County families.

Mrs. Gilbert Clem, County President, of Gurnee, presided. A special guest was Lake County's first Home Adviser, Miss Florence Kimmelschue, of Manitowish. Greetings were also given by Mrs. Helen Volk, Home Economics Extension Adviser, and Assistant, Mrs. Marjorie Robbins.

At the business meeting, the following slate of officers was elected and then installed in an impressive ceremony by Mrs. George Salzman of Kankakee, District Director of the Illinois Homemakers Extension Federation:

President, Mrs. Peter Sneshey,

Gurnee; 1st Vice-President, Mrs. Alfred Ames, Zion; 2nd Vice-President, Mrs. Warren Chard, Grayslake; Secretary, Mrs. Warren Helgren, Grayslake; Treasurer, Mrs. Melbourne Mudd, Libertyville. Directors: Mrs. Calvin Bracher, Mundelein; Mrs. Christian Fritz, Jr., Waukegan; Mrs. William Fischer, Wildwood; Mrs. Charles Schlicher, McHenry; Mrs. Francis Olson, Libertyville; Mrs. Donald Iselt, Libertyville.

Featured speaker and folksinger at the afternoon session was Mr. Win Stracke of Chicago, well-known TV and radio personality who is a master of storytelling in song. This year he is serving as the "Voice of the Sesquicentennial," which was the theme of the meeting. Everyone was delighted with his stories and songs of Illinois history since 1818 to the present. The audience enthusiastically entered into the choruses as he sang old and new songs accompanied on his guitar.

Office Aids Needed At Great Lakes

The Great Lakes Office of the Interagency Board of U. S. Civil Service Examiners for Illinois is now accepting applications for filling under the new Office Aids GS-1 announcement issued May 1, 1968. Vacancies to be filled cover a variety of entrance positions for the untrained or non-skilled individuals who wish to learn by assisting the Federal clerical work force. Most of the positions to be filled from this announcement will be at Great Lakes, Ill., but similar positions may be filled in other Federal agencies in Lake County. Salaries start at \$3776.

No experience is necessary, but a written test covering verbal and clerical abilities will be required. Ratings will be based on the score achieved on the written test on a scale of 100.

Full information and application forms may be obtained at most post offices and at the Great Lakes Office, Interagency Board of U. C. Civil Service Examiners for Illinois, Building 3400, Great Lakes, Illinois 60088.

Doughnut Day Friday, June 7

The Salvation Army has received official permission to hold its 30th annual area-wide tag day, "Doughnut Day," on Friday, June 7, in Antioch, Lake Villa and Lindenhurst.

On "Doughnut Day" volunteers will sell the doughnut-shaped paper tags that are familiar symbols of The Salvation Army's help for the distressed. The tag day will be part of The Salvation Army's 1968 Operating Fund Campaign to be held from June 3 through July 30. The total campaign goal is \$25,000 with \$195,000 of that amount to be raised on "Doughnut Day."

The assistance of hundreds of taggers is needed to cover tagging locations. Volunteers are asked to visit or write "Doughnut Day" headquarters, 18 S. Michigan ave., Chicago 60603, or telephone Financial 6-1080.

In all communities where Salvation Army Service Units are organized, 20 per cent of the funds raised in the local "Doughnut Day" drives will remain in the communities. These funds will be used to meet local emergencies, and to finance unduplicated programs of welfare service or health care. Each Service Unit, comprised of representative residents acting on behalf of The Salvation Army, decides how the funds will be used to assist needy individuals or families in the community.

The other 80 per cent of the "Doughnut Day" contributions will help support the area-wide social welfare service maintained by The Salvation Army for the unfortunate in the Greater Chicago area.

These services include a home and hospital for unmarried mothers, an emergency lodge for women, children and families, emergency canteen service at fires and other disasters, a summer camp, casework and counseling service, a homemaker service, family service, a dental clinic, a medical and psychiatric outpatient clinic, a day-care center, recreation and character development activities for young people, visits with patients in hospitals and nursing homes, help and rehabilitation for homeless and handicapped men, and many other services.

Have A Heart! We Only Need \$900!

Antioch Township has raised \$400 against a \$1300 goal in the Lake County 1968 Heart Fund Drive.

Frank Rhode, Jr., is Antioch Heart Fund Chairman and anyone wishing to make contributions to get Antioch "over the top" can do so by sending money or check to Rhode at 425 Lake Ave., Antioch. A final mailing attempt to get more contributions will go forward next week.

The Lake County 1968 Heart Fund has reached 84% of its \$60,000 goal.

Already four communities—Lake Forest, Zion, Libertyville and Waukegan Townships have topped their goals. Lake Forest has raised \$7,455 against a \$7,100 goal; Zion \$1,813 with a \$1,600 goal; Libertyville \$3,916 with a goal of \$2,700 and Waukegan

Township \$960 against a goal of \$900.

Heart Fund monies contributed in Lake County finance the research, education and community service projects of the Chicago Heart Association, a voluntary health agency active in Lake, Cook and DuPage Counties in the fight against heart and blood vessel diseases. Lake County is served through the Heart Association of Lake County. The Heart Fund goal in the three-county area is \$1.5 million.

Here are other Lake County communities and the funds they have collected against their goals, which are in parentheses:

Highland Park, \$12,834 (\$16,000); Highland, \$347 (\$500); Deerfield \$2,887 (\$4,000); Lake Bluff \$999 (\$1,600); Waukegan, \$10,901 (\$11,000); North Chicago \$2838 (\$3000);

More People Favor Surcharge - Percy

WASHINGTON—Sen. Charles H. Percy, R-Ill., said today that for the first time most persons writing him about the nation's economy favor an income tax surcharge.

Until now, Percy said, most persons opposed a surcharge. But he said his mail count shows that most persons now favor a tax increase coupled with a cut in spending—a position Percy took in his maiden speech on the floor of the Senate last June.

Stan Sutherland Awarded Bronze Tablet Honors

Former students of Antioch Community High School were honored at the University of Illinois Honors Day Convocation on May 3rd.

The University gives public recognition to those full time students who have been on the Dean's List for the past year.

Former Antioch pupils who received this distinction are: Bruce Dalgard, James Edwards, Robert Goske, Beatrice Marro, Tom Randall, Joseph Shirk and Stanley Sutherland.

In addition to the above honors, ACHS '64 graduate, Stanley

Sutherland, received University Bronze Tablet Honors.

Students receiving University Honors (Bronze Tablet) are those who have maintained a cumulative grade point average of 4.5 or better for all work taken at the University of Illinois and rank, on the basis of their cumulative averages, in the top three per cent of the students in their college who will graduate when they do.

Each year the names of the University Honors students are inscribed on a Bronze Tablet which is mounted permanently in the south corridor of the University Library.

Brausams Celebrate Anniversary

Mr. and Mrs. Rudolph Brausam, of Rte. 1, Petite Lake, Antioch, celebrated their 25th wedding anniversary last Saturday with a dinner at the Veterans of Foreign Wars Post, Lake Villa.

More than 110 people came to honor Rudolph and Vivian Brausam, who have been in the area for the past 17 years.

The couple wed in Chicago on May 1, 1943.

The party, which brought in friends and relatives whom the Brausams hadn't seen in many years, was put on by the couple's three children, Raymond, Donald and Mary Ann.

Abbott Sales, Earnings Set Record

New records both in earnings and sales were attained by Abbott Laboratories in the first quarter of 1968, it was announced by Geo. R. Cain, Chairman of the Board.

Earnings rose 11 per cent to \$8,054,000 or 60 cents a share from \$7,257,000 or 54 cents a share for the comparable period in 1967.

Sales were \$81,803,000, up 9.9 per cent from \$74,406,000 achieved during the first quarter in 1967. All figures have been restated to reflect the October, 1967, acquisition of Courtland Laboratories, Los Angeles, California.

Sizeable gains were achieved in sales of selected antibiotics, pediatric products, consumer product lines and in overseas operations. Particularly significant during the first quarter were sales increases in the domestic hospital market (approximately \$64.0 million for the full year 1967). Based upon present trends, Cain said, Abbott expects to more than double its sales of hospital products and diagnostics during the next four years.

Altar & Rosary Elects Officers

The May meeting of the St. Peter's Altar and Rosary Society was well attended. Mrs. James McMillen presented her show, "The Wonderful Women of Illinois."

Election of officers for the coming year were held, and the following were elected:

President, Mrs. Bernard Gutowski, Jr.; Vice-president, Mrs. Robert Reband; Secretary, Mrs. James Walsh; Treasurer, Mrs. Jack Davis.

He who values his goods more than liberty will lose his goods and his liberty too.

O.E.S. Initiates Three Tonight

Antioch Chapter No. 428, Order of the Eastern Star will hold a meeting with initiation tonight (Thursday) May 9, at 8 p.m. at the Masonic Temple, Main St. Those being initiated by Dorothy Kaheri, worthy matron, and Joseph Parfitt, worthy patron, and their officers are Mrs. Jean Burns, Mrs. Jane DeVore, and Mrs. Pearl Anderson.

There will also be a special installation ceremony to install Mrs. Elizabeth Storch in the office of associate-conductress. Installing officer will be Mrs. Lillian Gae, and installing marshal will be Josephine Kirschbaum.

Sequoits Beat Lake Zurich

Zanck Is Winning Pitcher

	R	H	E
Antioch	7	6	4
Lake Zurich	5	7	3

Antioch won their game with Lake Zurich Friday, May 3rd, in a game in which the two teams made a total of 7 errors.

Antioch scored in the first inning when Pleviak got to first on an error and made second on a single by Comstock. A beautiful double steal by Comstock and Pleviak was put into operation and Pleviak scored on a fielder's choice.

The Sequoits scored four runs in the second. Zanck, the first batter up, walked and stole second. The next two batters struck out. Jim Maier singled, scoring Zanck. Pleviak and Comstock walked, loading the bases. Jim Carlson hit a mighty triple to score the three men.

Two runs were scored by the Sequoits in the fifth inning when Zanck walked, stole second and with the help of two errors, scored. Tom Nickerson walked,

stole second and went to third on a single by brother Terry Nickerson. He scored on a single by Jim Maier.

Coach Seemann has been using Maier in the outfield for the past two games and he is coming through when the hits are needed.

The varsity stole a total of 10 bases in this game. Ralph Zanck was the winning pitcher and Stephens was the losing pitcher.

"The boys are finally THINKING baseball," said Coach Seemann. "They have a tendency to forget to concentrate on the game 100%, but have been doing O.K. We have been fortunate in getting men on the bases and have forced our opponents into making mistakes."

Antioch will play Grayslake here on Friday at 4:15 p. and the district tournament starts May 13 when Antioch will play Round Lake at Round Lake at 4:15 p.m.

Antioch Team Places 2nd in Co. Track Meet

The Sequoits participated in the Lake County Track Meet Saturday and Monday at Grant High School and managed to come in second in Class B.

The meet had to be postponed Saturday afternoon due to rain, but was completed on Monday.

Antioch came so near, yet so far, in winning the Class B championship. The team came through with some fine performances, in fact, many were the best of the year.

The scoring for the Sequoits was done by Bill Nader, a second in the discus. Dan Smith got a 3rd in the shot put and Bill Effinger a 5th in the 880 yd. run, and a tie for 5th by the 880 yd. relay team. The relay team is composed of Don Koenig, Jim Bittner, Fred Koch and Paul Yuska.

Deerfield won the Class A division with 52 points for a third straight year.

Varsity Defeats Wauconda 71-56

Frosh-Sophs Win Too.

The Antioch track team scored two victories last week.

The Varsity beat Wauconda 71 to 56 and the Frosh-Sophs defeated Wauconda 68-50.

In the varsity meet, the Antioch thineads took 10 firsts, paced by Bill Nader's double-winning the shotput with a season best throw of 50' 5" and also taking the discus.

Other winners were Chuck Denman in the 2 mile, Bill Effinger in the 880 run, Bob Blaggi in the mile, Paul Yuska in the 220, Louie Aerne in the high jump, Rick Nelson in pole vault, the two relay teams, 880 relay and mile relay.

On the frosh-soph level, the Antioch Sequoits took only five firsts, but scored 12 seconds to nose out an outstanding Wauconda team.

Clarence Archer, Bill Martin,

and Jim Polley won the 880 run, mile run, and the shot ut. Archer and Martin are undefeated in conference competition.

With their wins over Wauconda, the Varsity and Frosh-Soh teams remain undefeated in conference competition.

Wells Pitches A Shut Out To Beat Wauconda

	R	H	E
Antioch	1	2	2
Wauconda	0	2	1

The Sequoits Varsity Baseball team has been guilty of doing some mighty slick base running which has provided them with the needed winning runs.

In the game Tuesday, April 30, with Wauconda, Antioch scored

its first and only run in the 5th inning. With one man out, Ralph Zanck hit a slow roller and was safe on first base due to an error by the Wauconda first baseman.

Zanck made second on a wild pitch, and the next batter, Jim Maier, hit a bunt single in front of the plate, Zanck took third and made it home when he caught the first baseman sleeping.

Antioch's only other hit came in the second on a single by Dennis Pleviak.

Wauconda got their hits in the first and sixth innings.

Mike Wells was the winning pitcher and went the full 7 innings striking out 10 batters. Periman was the losing pitcher.

Free Shoot For Mothers At Sportman's Club May 12

The McHenry Sportsmen's Club will celebrate Mother's Day on Sunday, May 12th starting at 11 a.m. The Club's facilities will be turned over to the Mothers, for their own enjoyment.

All mothers who show up may shoot free of any charges, as guests of the club, whether or not their husbands are members.

Club shooters will make their own guns available to the Moms who do not have their own.

To make sure the dear girls divide the loot evenly among the good, mediocre and poor sharpshooters among them, they will compete in the Hi-Lo-White Bird Shoots, in which one prize is won by the high scoring doll; one prize will go to the lowest scoring cradle rocker, and one to the lucky lass who breaks the white target.

Luscious 20 ounce Rock Cornish Hens will be the prizes that all the shooting's about.

The men folk will also get in their ticks at winning good eating things but they will have to pay for their fun.

Single, double, triple and quintuple White Bird Shoots; Hi-Lo and Hi-Lo White Bird Shoots; Protection; Annie Oakley and Winner-take-all Shoots will be their choice of contests, for tender-aged Jopet-steaks, chickens and shooting components.

Shells and hot refreshments will be served up in the club house, which is on the west side of the Pistakee Bay and may be reached from the east via Route 134 Big Hollow Road to its western terminus, then a right turn for ½ mile. From the west the route

From left to right: Clarence Archer, Tom Effinger and Rick Nelson. Archer is undefeated in the Conference at the Freshman-Sophomore level in the 880 yard run. Effinger, freshman, has been running all season on the varsity level and shows promise of being a future track great. Nelson, a sophomore, is a pole vaulter and is undefeated in conference competition at the varsity level. He shows signs of being one of the finest pole vaulters in the Northwest Conference history. He holds the school record at the freshman-sophomore level.

Wilmot Stock Car Races Begin May 18

When the Kenosha County Speedway at Wilmot, Wis., opens its gates for the 1968 season of stock car racing on Saturday night, May 18, just about everything but the super-fast action will be changed from operations in previous years.

Promoting and managing the races will be Ray Toft of Antioch. Mr. Toft was appointed promoter-manager by an owners and drivers association of modified stock car personnel. The Kenosha County Fair Board has awarded this group the contract for 1968 and are very enthused about the plans of this group to bring back to Wilmot the leading names in the racing sport.

Among those to race at Wilmot after nearly a two year absence will be Duane Harris of Lake Villa, Rodger Otto of Burlington and Don Sorce of West Allis. Each of these drivers are former champions of the modifieds at Wilmot. Other drivers to be in

action on the opening night of May 18 include Bill Bohn and Lauren Lawrence of Kenosha, Al Horton and Tom Anderson of Antioch, Jr. Dodd and Jim Bozeman of Waukegan, Ron Bergsma of Richmond and many others.

Johnny Reimer of Caledonia, a champion of Hales Corners who has raced previously at Wilmot, will also make the Wilmot oval Saturday night track. Reimer will be in a brand new car built by Fred Neilson of Lake Villa.

There will be at least two brother teams in the modifieds. Claud and Cliff Potter of Genoa City and Jim and Paul Cameron of Round Lake.

In addition to the regular Saturday nights of racing, two special holiday eve races are set for Wednesday night, May 29 and July 3.

Truckers Get Dictionary

Ever hear of a "bed bug hauler," a "cackle crate" or a "pajama wagon"? How about a "horse" or a "boll weevil"?

If this all sounds a bit unusual, the translation is to be found in the just-released "Truck Drivers' Dictionary and Glossary" published by American Trucking Associations.

This handy glove compartment-sized lexicon defines a "bed bug hauler" as a moving van driver, a "cackle crate" as a truck that hauls live poultry, and a "pajama wagon" as a truck cab with a sleeping berth.

"Horse is industry jargon for a truck tractor. A 'boll weevil' is a novice truck driver.

The glossary takes much of the mystery from the special vocabulary of the truck jockey and gives motorists, perhaps while they're stopped at a roadside cafe for some "hundred mile coffee," a chance to understand what they're hearing.

With the dictionary, for instance the motorist can eavesdrop on—and understand—truck driver gossip about the "cowboy who got caught by the 'big hats.'" Translated, that means a reckless driver was stopped by state troopers.

Among the glossary's entries are these further highway terms: Aviator—Speeding driver. Bible—The "Golden Rule" safe driving book.

Double bottom—Unit consisting of tractor, semitrailer and full trailer. Also called "twin trailers" or "doubles."

"Gum Ball Machine—Rotating warning light on top of an emergency vehicle.

Rags—Bad tires. Sheep Herder — Driver with questionable ability.

Yardbird—Driver who connects and disconnects the tractor-semi-trailer combinations and moves vehicles around the terminal yard.

Zephyr Haul — Shipment of lightweight cargo.

The complete dictionary and glossary is available from ATA, 1016 P-Street, N.W., Washington, D. C. 20036.

Illinois Bell To Spend \$270 Million

With expected growth of its services plus mounting labor and material costs, Illinois Bell Telephone estimates that its record-breaking capital expenditures for 1968 will be about \$270 million, according to the company's annual report.

Capital expenditures for 1967 were \$250 million, 13.4 per cent above 1966 and were at an all-time high for the third in a row.

President James W. Cook says, "We continued to be a financially healthy company in 1967, recording gains in telephones, local and long distance calling, and revenues. But gains lagged substantially behind those of a record 1966."

Cook lists a number of variables in the economic picture for 1968 and reports that "the outlook is far from clear." He adds, "For our part, we expect further gains in telephones and calling but the economy is to beset with uncertainties that predictions as to the rate of gain in 1968 are a cautious undertaking at best."

In his message to share owners, Cook discussed three principal developments—the growing scope of the social responsibility of business, the increase of competition within the communications industry and the need for new concepts of regulation.

By the end of 1967, there were 5,446,000 Illinois Bell telephones in service—representing an increase of 202,000 (about 4 per cent) over the year-end total for 1966. This increase, however, was below that of the record-breaking year of 1966 when 251,000 phones were added.

Increases in telephone calling also continued during 1967, the report says. More than 23.8 million calls were handled on an average weekday, up 6.9 per cent over 1966. The percentage increase in long distance calling over 1966 was 8.4 per cent. The year's total was 284.4 million conversations.

The year also was a milestone one for the company with the completion of a 45-year project—the changing of all phones to dial operation. Last of the offices to be converted were those serving customers in the Cairo and Edgington-Illinois City areas.

Business creates new products—and new wants stimulate people to work harder to satisfy them.

we care

how is your rib roast trimmed?

That depends upon where you buy it.

At A&P, we sell only short-cut, 7-inch, oven-ready Ribs of Beef.

The excess Short Ribs are removed and sold at a lower price.

We remove the feather (back) bones for easier carving and cover the area with a thin layer of fat to protect the meat.

We remove the excess wasteful chine bone.

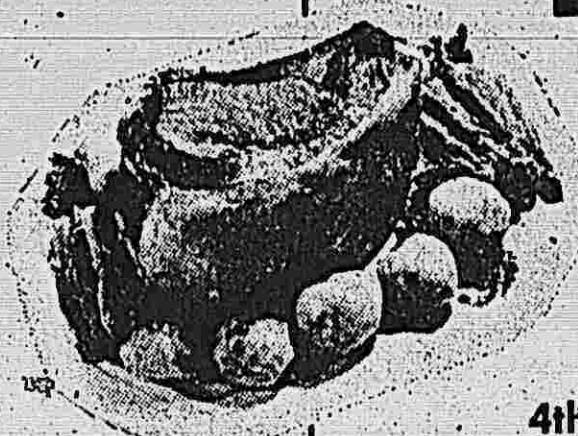

Is all this trimming important to you? Well, on an average five-rib roast, we trim up to 1 1/2 lbs. of excess fat and bone. At Rib Roast prices, that adds up!

One more thing. We cut our Rib Roasts only from the first five ribs.

All this makes our Rib Roast truly the "King of Roasts" and a joy to carve.

Next time you buy a Rib Roast, think about these things.

And then think, shouldn't A&P be your store?
